

Dementia Care Pathways in Primary Care: from Screening to Care and Action

Released January 30, 2025, from 12-1 pm PST

Jointly provided by Partners for Advancing Clinical Education (PACE) and the University of California, San Francisco

Estimated time to complete the activity 60 minutes

Target Audience

This activity is intended for physicians, physician assistants/associates, nurses, and other healthcare professionals who care for patients with dementia.

Educational Objectives

Upon completion of this activity, participants should be able to:

1. Describe key steps of a care pathway for dementia from early detection to care plan.
2. Identify 2 of the next steps after a positive screen.
3. List the 3 core criteria needed to make a dementia diagnosis.
4. Illustrate how a care pathway can be accomplished with a team approach

Faculty

Anna Chodos, MD, MPH Executive Director, Dementia Care Aware and Professor of Medicine in the Division of General Internal Medicine at Zuckerberg San Francisco General and the Division of Geriatrics, University of California, San Francisco

Disclosure of Conflicts of Interest

PACE requires every individual in a position to control educational content to disclose all financial relationships with ineligible companies that have occurred within the past 24 months. Ineligible companies are organizations whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

All relevant financial relationships for anyone with the ability to control the content of this educational activity are listed below and have been mitigated according to PACE policies. Others involved in the planning of this activity have no relevant financial relationships.

Anna Chodos, MD, MPH, faculty for this activity, has no relevant financial relationships.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Partners for Advancing Clinical Education (PACE) and University of California, San Francisco. PACE is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Continuing Education

PACE designates this enduring material for a maximum of 1 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Continuing Professional Development

The maximum number of hours awarded for this Nursing Continuing Professional Development activity is 1 contact hours.

PA Continuing Medical Education

PACE has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

This session is approved for .5 enduring AAFP prescribed credits

Disclosure of Unlabeled Use

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

Instructions for Credit

Learners must follow these steps:

1. Sign in to [Dementia Care Aware's LMS](#) and review the appropriate course
2. Review the objectives and disclosures
3. Study the educational content
4. Complete the activity evaluation
